Redback Juniors Lead the Seniors charge

RFNC President's Report

In a very impressive and courageous display, the RFNC Senior side defeated last years premiers and perennial yard stick Riddell to remain undefeated after 8 rounds of the RDFL 2011 season.

This game was always going to be a hotly contested affair, with both sides fielding exceptionally talented line ups. After slipping behind early in the game, the boys dug deep and piped the Riddell boys by 5 points.

Junior representatives Connor Lever, Will Dipietro and Kane Brinkhuis preparing to run out with the Senior players

Our Reserve and Under 18's sides put up very encouraging performances against very talented opposition but failed to come away with win.

Our Netballers enjoyed a very successful day walking away with 3 wins. Even without our star Beck Locker, the A Graders dominated their opponents and walked away with another 4 points to remain undefeated. B and C Grade also walked away with the 4 points after very consistent and disciplined games.

This week we travel to Kilmore to take on the Blues while our Under 18's will be taking on Wallan at Wallan. Our next home game will be the Round 10 clash with the Sunbury Kangaroos, who currently hold down 2nd position on the ladder. Get along and cheer on the Redbacks as they look to keep a stranglehold on the remainder of the competition.

Our next function is yet to be decided, but keep a look out in future editions of the Redback Review and around the club rooms for more info.

Luke Baker

CONGRATULATIONS
to all players on their
achievement

Under 9—Michael Richardson

We played Riddells Creek and after a poor first quarter, when all players from both teams seemed to play on the ball. The instructions was to play your position and from there we dominated play scoring 5 goals to 1. Great to see Alex and Cooper Doherty kick there first goals. We really played our positions better and shared the ball better, and we are working on moving the ball quicker. We chased really well and it was a great team effort. One of the highlights of the season was Josh, marking his own kick. This party trick we hope he can teach at training? Our medal winners were Darcy and Hunter who had there best games. Well done Richo.

Romsey 6 13 49 Vs Rockbank 0 1 1

Playing at home we played Rockbank for the second time this year. Rockbank havn't had their best year but it was going to be a good indication to see where we have improved throughout the year. It started early with our midfield winning the first clearance and getting it long into our forward line. The wind played a big factor in the game and we were not able to hit the scoreboard with the damage we wanted having kicked 3.9 in the first half. After the break we came out flying again winning most of the contested possession with Brayden Stewart and Brody Wood clearing the ball with ease. Our forward line worked hard to get the footy with Jarryd Seers and Michael Carroll kicking most of our goals and Oliver O'Brien attacking the ball all day. Our backline has continued to become better and better, led by Clay Xiriha the team were ruthless in their attack only conceding 1 behind for the day. Was also a day for firsts with Tommy Vale kicking his first goal and having a very memorable celebration and also Sarah Blaskovic playing a brilliant first game. It is great to see the improvement in all

Well boys, what a great game on the weekend. We played Riddell and had a great win. To the boys credit we had 2 goals to nothing kicked against us in the first quarter and came in at half time 2 goals in front. In the second half we controlled the game, the running and carrying of the ball, and good use of the ball in windy conditions was something to watch. We will be concentrating next on turn overs, to prevent easy goals being kicked against us.

Special mention to the back line again we would be the youngest backline and the smallest body wise but the way they have handle themselves in pressure situations is a credit to their work rate. In particular their desire not to get beaten ; Swanny, Boof, JJ, Keston, Zac, and Fizz are doing a great job and learning the defensive roles for this game. Franky had the job on Riddells best player and not only did he shut him down but he went on the attack at every situation. He kicked 2 goals and got a fat lip in the process. Micky Wilson 4 goals and the best game he has played for our club well done. Moonshine Rohan, Taylor Jakey, Lukey, Phil, and Normy, It is great to see the way you boys are going about the game. Special mention to Jakey P he is small in structure with a massive desire to throw himself around the packs; he doesn't like getting beaten at any contest and the way he preformed on Sunday was great. Well done Jake P. All in all, good effort boys now next week Melton South, Bring it on.

Lastly well done and thankyou to Jack Feehan for playing in the under 14's. 2 goals and could have been 4 what a good learning curve for the boy and our team. You are a star Jacko keep improving every week champ.

Interleague Update

Good luck to Jake Lever as the Under 15 RDFL team went through undefeated and they now play for the Victorian Championship against Moorabin Saints League on the 25/6/11 at Casey fields Cranbourne for the right to be the best Under 15 team in Victoria.

RFNC Results Sat 18th June

SENIORS Romsey 11.12.78 d Riddell 10.13.73
RESERVES Riddell 9.12.66 d Romsey 6.5.41

Glen Merrall—The boys tried hard and gave everything they had. With no bench and injured players on the field by the end of the game, Riddell were too strong and showed why they are the team to beat. A great contribution by the new players, under 18's and trainers (Tommy, Jake, Trav & Andy). Thank you for helping out and showing why it is great to be part of the Romsey Football, Netball Club. Best: Benjamin Morrison, Brad Colliver, Brenton Walters, Ben Richmond

UNDER 18'S Riddell
 6.16.52 d Romsey 6.6.42

Rod Deans—What a sensational performance by the Under 18's !!!!! Riddell are the ladder leaders and we really showed them that we are not the push over team sitting at the bottom of the ladder - to only go down by 10 points with an undermanned side just proves we are still in the mix to make a big impact on this competition. Thanks once again to the Under 16's who continue to put their hands up and help out and to our boys stay with it we are so over due for a big win . Best: D. Tobin, S. Wright, T, Thorogood

A GRADE Romsey 42 d Riddell 34

As expected a tough physical game against Riddell. We came away with a 7 goal lead after the first quarter with some strong play from all players but Riddell came back as we knew they would with us only holding a 2 goal lead at half time.

Our momentum came back in the 3rd quarter and we kicked away with a 10 goal buffer going into the last, eventually winning the game by 8 goals. Hard work everywhere on the court was the key and we did fight for every ball so well done to all.

Best Players: Lemons, Pru, Cub

B GRADE Romsey 34 d Riddell 16

C GRADE Romsey 29 d Riddell 23

We had a great game against Riddell this week and were out for revenge after the disappointing 1 goal loss of last year's grand final. Although both teams were very different we still wanted to prove ourselves.

With the inclusion of Gen Conlan and the welcome return of Tracy Kay, we started off very strongly in very slippery conditions. Our attack end was on fire, working the ball in very well and making sure we made each opportunity count.

The younger and faster Riddell side came back at us and once again the pressure nearly got to us. Our determination and fighting spirit got us over the line to win by 6 goals.

Stand out games by Kara Sheedy, Briony O'Brian and tTracy Kay helped to see us firmly in the top 6.

The progress we have made so far this season is really pleasing to see and as a coach I'm proud to say I have a great team with lots of enthusiasm. Keep up the great work girls.
